WORK EXPERIENCE

PHOTOGRAPHY / AV SALES @ MEDIAMARKT

August 2017 - Present

As a Photography / AV sales- and advisewoman I learn a lot more about the technical side of the camera. The contact with customers is also something I really enjoy.

Every customer has different needs and questions. It's always a lot of fun to help someone with decisions and see them walk away with a beautiful camera.

AV - FREELANCER / FOUNDER @ ORENDA VISUALS

November 2016 - Present

After completing my studies and gaining some more work experience, I've decided to start my own business. Working as a freelancer has given me time, freedom and creativity to produce diverse productions.

EDITOR @ EYE MEDIA TELEVISION

July 2016 - September 2016

Compared to my previous internship at EMTV I gained a lot more responsibility.

Next to the usual items I also got the chance to make various corporate films, advise the new interns and help them with their questions.

INTERNSHIP @ TUNDRA TREE

August 2015 - December 2015

I've spend my final internship period at the company Tundra Tree. An outdoor, adventure, sports video company. Here I've worked as an editor and worked with Premiere Pro. Besides editing I also had the oppertunity to film and learn more about the technical side of the camera. I've worked with a Canon 7D Mark I & Sony FS700.

INTERNSHIP @ EYE MEDIA TELEVISION

February 2015 - July 2015

As an editor at EMTV I learned a lot about working with Final Cut Pro. I've edited items for the TV-show Lifestyle Xperience that were shown on the tv channel RTL 4. This way I've refined my editing skills and my passion for video was confirmed.

EDUCATION

FOTO & FILMDESIGN @ FOTOVAKSCHOOL ROTTERDAM

Level: MBO-4

Graduation date: July 2016

In this study I've learned about video, photography and graphic design. During this study I've made many productions, such as: commercials, animations, corporate films and documentaries.

MAVO (HIGH SCHOOL) @ RONCALLI MAVO

Level: MBO-4

Graduation date: July 2016

As an editor at EMTV I learned a lot about working with Final Cut Pro. I've edited items for the TV-show Lifestyle Xperience that were shown on the tv channel RTL 4. This way I've refined my editing skills and my passion for video was confirmed.

ABROAD EXPERIENCES

EF HIGH SCHOOL YEAR @ MOAPA VALLEY HIGH SCHOOL

Year: Senior

Graduation date: May 2012

Location: Logandale Nevada, USA.

Here I became part of a heartwarming hostfamily and a student at the Moapa Valley High School. I followed the basic courses: Algebra, U.S. History and creative writing. My electoral courses were: Guitarclass, Weight training, Spanish, Photography and Theatre. Being a year from home has been a life changing experience and has taught me to be brave, strong and to never give up on my dreams and goals.
